I find it appalling that in this State convicted felons who have committed crimes of rape, manslaughter, kidnapping or sexual molestation of a child under the age of thirteen may earn as many as five days off their prison sentences each month!

This is potentially a very dangerous program and I beg you to end this practice now!

I live in Newtown, CT and I respectfully request that you vote in favor of Senate Bill 123: An Act Repealing the Risk Reduction Credit Program.
